House Committee to Meet 6:30 p.m. Tomorrow; Executive Committee at 7 p.m. Next Tuesday

With the holidays now in the rear view mirror the Post is starting a gradual return to what might be defined as a "regular order of business" with the first committee meeting of the year, the House Committee, scheduled for tomorrow evening at 6:30 p.m.

The House Committee meeting probably will be held on the deck to avoid any conflicts with the regularly scheduled and expected to be busy Friday evening dance since the always popular Gold Standard Band will be playing tomorrow night.

Two business days after the House meeting, the Executive Committee is scheduled to meet at 7 p.m. Tuesday, Jan. 11.

Agendas were not available for either meeting at publishing deadline.
